

New Designations IAM

Please only use these names and adapt the old names.

See also Glossary: <https://www.ethz.ch/services/de/it-services/dokumente/glossar.html>

- **DE: ETH Username**
- **EN: ETH user name**

Remark: new name. Please do not use any more: Username (DE) (without ETH), User name (EN) (without ETH), Login-Name, User name, nethz-Benutzername, nethz-Username

- **DE: ETH Userkonto**
- **EN: ETH user account**

Note: The new name will be used for the combination of ETH username and ETH password. Please no longer use: nethz account, nethz-Konto or ETH login.

- **DE: Admin-Tool ohne IAM-Funktionalitäten**
- **EN: Admin Tool without IAM functionality**

Remark: Replacement of the nethz admin tool after introduction of IAM

- **DE: ETH Passwort für E-Mail (Active Directory)**
- **EN: ETH password for email (Active Directory)**

Remark: new name instead of Active Directory password. Please do not use any more: email password or E-Mail-Passwort

- **DE: ETH Passwort für Webapplikationen, AAI (LDAP)**
- **EN: ETH password for web applications, AAI (LDAP)**

Remark: new name instead of LDAP password

- **DE: ETH Netzwerk-Passwort**
- **EN: ETH network password**

Remark: new name instead of RADIUS password

New Designations IAM

- **DE: ETH Username + Realm**
- **EN: ETH user name + realm**

Remark: Please do not use any more: ETH network login for ETH username + @"realm".ethz.ch
or ETH network login name

Update: Zurich, 17 April 2019
